

GENERAL PURPOSE OPERATOR (Offshore Guyana)

SBM Offshore is a world leader in floating production solutions. Our main activities are the design, supply, installation, operation and the life extension of Floating Production, Storage and Offloading (FPSO) vessels. We employ over 4,800 people spread over eight locations, nine operational shore bases and the offshore fleet of vessels worldwide.

Through our local affiliate, Guyana Deep Water Operations Inc. (GDO), we are the Operator of the Liza Destiny FPSO, which will be located in the Stabroek Basin, approximately 200km northeast of Georgetown offshore Guyana.

We are looking for several **General Purpose Operators** to work offshore on the Liza Destiny FPSO.

KEY DUTIES

The **General Purpose Operator** ensures that all aspects of shipboard maintenance, rigging, slinging, storage, housekeeping, and general duties are carried out safely and effectively.

- Check preparation for loads for lifting (load is secure and stable);
- Perform bundling and slinging of simple and awkward loads using a variety of lifting items in a safe manner;
- Maintain slinging equipment;
- Direct the movement and placement of loads, including blind loads, using appropriate hand and radio communication;
- Prepare site for abrasive blasting and clean surfaces using abrasive tools in preparation for coating;
- Paint or coat the worksite;
- Emergency response duties as assigned.

QUALIFICATIONS / SKILLS / EXPERIENCE

- At least two (2) years' experience with rigging and slinging;
- Certification as per STCW AII/4;
- Must be medically fit according to an offshore International standard such as ENG1 or equivalent;
- Must be physically and mentally able to complete extensive offshore training including Helicopter Underwater Egress Training (HUET);
- Experience working offshore is beneficial.

WORKING CONDITIONS

- Offshore Guyana
- Rotation of 2 or 3 weeks onboard followed by 2 or 3 weeks on leave
- 12-hour shifts, days and nights

COMPENSATION PACKAGE

- Permanent, full-time position
- Competitive salary
- Medical and Dental benefits
- Extensive safety and technical training provided
